

UPDATE BRIEF....15 September 2021

Dear Members...

Again I have to pass the sad news on to you of another of our treasured members has passed away...DICK DAVIDSON wrote...We regret to tell you that Peter Brothwell, known to most of us as Ned, died suddenly last weekend. A well known local solicitor, he first sailed in the Customs dinghies in Dover. In the early seventies, Ned crewed offshore with Callisto, and with the Iversons in Odin's Raven, and many trips with the Maid of Unst, 1 and 11, with Glyn Meredith. As recently as last month, he cruised with myself and Andy on Callisto. A fine seaman, good cook, Ned will be sorely missed.

Judith is running a fundraiser for the Macmillan charity on Saturday 25th September 2021.

PLATED SLATE AND CAKE...£10.00 and a raffle...Judith and I will be donating all of the food so all proceeds will be forwarded to McMILLAN CANCER SUPPORT. You will be served a ploughmans slated meal and there will be many cakes to choose from for dessert. There is also the well loved and supported alcohol raffle as well. Tickets available behind the bar. Bookings essential by Wednesday evening 22nd to determine catering needs. This is indeed a very special charity and so close to many of our hearts. Please support which ever way you can by your presence, your purchase of raffle tickets or a donation. They certainly need our support.

CONGRATULATIONS TO RUSH...PHOTO OF THE MONTH in ALL AT SEA newspaper. Photo supplied to the paper by Simon Field, taken at Ramsgate Week. Look for your copy on the shelf below the notice board outside the office.

The EASTBOURNE BOYS had a great time last Saturday night. Actually fun was had by all. Amy our cleaners' sister had her hens party here the same night....those girls really know how to party! The boys had a great sail here and home writing a huge thankyou for our hospitality.

MORGAN left us last Sunday and thankyou so much for all of those who gave to Morgan, came in to wish him well and send him on his way.

Judith purchased a goat skin satchel which unfortunately was lost in the mail but never

the less was reordered and will be here in time before he leaves. As well we managed to collect £195 to send him on his way to university. And of course cake for all!

One Ton Club this month was won by Garry Dogherty with number 33. A special thankyou and welcome to the eight new members who joined us this month.

This month new waterproof furniture

was purchased for the archive room. As you are well aware the archive room has a tendency to leak due to the gutterings not being cleared by the DHB. So we thought it was a good idea to purchase something waterproof to protect our heritage archives. These purchases' were bought from the One Ton Club

profits. Thank you to all of you who have supported this club fundraising over the past years. There are still numbers available and the next draw will be Sunday 3rd October 2021.

Take care all...

JIM WHITE
