

ROYAL CINQUE PORTS YACHT CLUB

UPDATE BRIEF

Dear Members...

Well it is that time of year again and I need to stress to you that the club needs you to support the committee and the AGM. The date for the AGM will be Friday 5TH November 2021. It is extremely important that we have a good turn up as last year it was done entirely by proxy vote and many did not bother to vote at all which did not give a good result overall. ANNUAL ELECTION PROPOSAL FORMS are available from the office. Please consider joining the committee and be a part of the leadership of your club. We especially need REAR COMMADORES for racing and cruising to keep the yachting side of our club alive. There are job descriptions available as well for those who would like further information as to what is required from a particular position on the committee. For those who would like a further copy of the AGM MINUTES 2020 please ask at the office and a copy can be printed for you. A notice of AGM 2021 will be sent out later after next weeks committee meeting Monday night. An AGENDA is also available and if you have any general business please notify the office as soon as possible.

Last weekend ...THE McMILLAN FUNDRAISER ... was a huge success and I sincerely thank all of those

who attended ... A SLATED PLATE AND CAKE ... I especially thank Dena who served and cleared, Denise who kept all the thirsty crowd happy with drinks and Judith for her generous support for supplying the food and some of the raffle prizes. Thankyou also to the others who supported the raffle with further prizes. A grand total of £635 was raised on the day.

This month the contactless limit will change across the UK. From the 15th October you can now tap up to £100.
