

UPDATE....19 NOVEMBER 2021

Dear all....

BEAUJOLAIS RUN without the run. What a great night with huge serves of Beoff Bouguignon, camembert cheese and loads of garlic bread...and of course Beaujolais!

First it started here...

...then here...

Then the enjoyment started...

THE LAYING UP SUPPER with a large booking list is looking really good. The trophies have all been engraved and waiting for presentation...wonderful to see a full house of 49 booked.

Then we have CHRISTMAS also looking good with lots of bookings. The CHRISTMAS RAFFLE is also selling well. And Santa is most impressed with the pressie list! His shopping is almost done! Last chance to book is this weekend.

4pm....An early start to a very fun night.

Next on the list are the CAROLS BY CANDLELIGHT...

Another fun night to let your hair down....mulled wine will be served with complimentary fruit mince pies. So rest those voices and come along ready to sing your hearts out!

Then of course we have the traditional COMMODORES PUNCH 12 noon CHRISTMAS DAY to set you on your way to all of your own family festivities.

NEW YEARS EVE PARTY...I must apologize as I promised that this would be a free event but the entertainment is far dearer than expected so I am afraid that it will be a £10pp charge. Entertainment will be supplied by MEMORY LANE. These girls are excellent and will please every ones' taste in music. A supper will be served at 9pm.

There are a couple of private parties booked for the Lord Nelson Suite pre Christmas. And our new caterer is now book through to May so lots of surprises coming your way.

I have a request for you to consider...DOWNSTAIRS...we have so much dead space. JAMES the SAILMAKER is leaving. Dena has arranged a rental for this space to start immediately it is vacated. Please welcome our new tenants/new members to our club...Alex and Lena. Opposite that we have the men's tool shed, the dry cellar and another spare space which is currently being used for storage. My question is the SNOOKER ROOM. This is currently only being

used by two members. It has been suggested by the committee that the snooker table be removed and we use this room for daily hire...Michael our new Vice Commodore has two interested parties who would rent this area. Your ANSWER IS REQUIRED. DO THE MEMBERS WANT TO CONTINUE WITH THE CURRENT USE OF THIS ROOM AS THE SNOOKER ROOM OR DO WE SELL THE SNOOKER TABLE AND HAVE IT REMOVED TO ALLOW FOR FURTHER INCOME. PLEASE ADVISE THE OFFICE AND ANY COMMITTEE MEMBER BY 3RD December 2021. If the committee receives NO RESPONSE we will put the table up for sale and start taking bookings for the room.

Then to some MORE serious stuff SAILING....our REAR COMMODORE CRUISING, JIM LOGAN, AND REAR COMMODORE MOTOR, TONY GREEN, are planning a cruise across EASTER to ST KATHERINES DOCK. Now berths will have to be booked early so if you can contact Jim or Tony to show your interest.

CHRISTMAS DECORATIONS are starting to appear but we need the girls for the tree...I know it is late notice but are we able to dress the tree before our Christmas party? Looking for volunteers....please give me a call.

REPLACEMENT CLOTHING has arrived for those who wanted shirts etc that were out of stock. We have new fleece gillet's now as requested. You can have anything embroidered on them as well. Here is an example.

Your new committee is very excited about the New Year and are working hard to make your club a better and more professional place to visit. If you have any requests please let myself or one of the committee member know...we are here for you all.

Take care and see you soon in the club.
