

ROYAL CINQUE PORTS YACHT CLUB

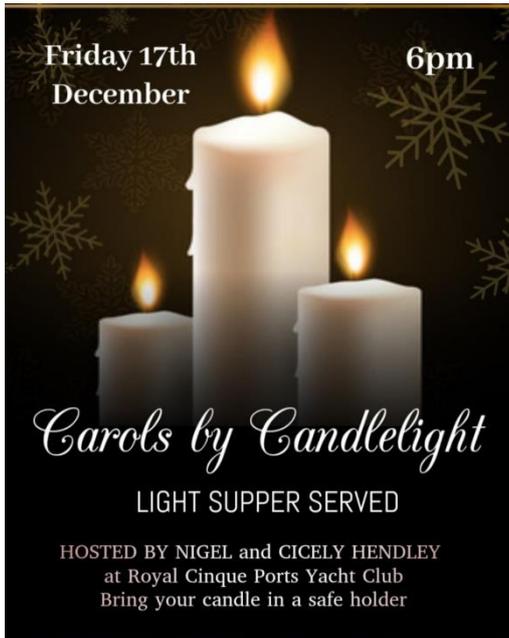

UPDATE BRIEF 10 December 2021

Dear Members...

Where have the days gone...they are just whizzing away and Christmas is just around the corner! And talking of Christmas what a party....it certainly was....Santa brought everyone some great gifts and even some snow with the help of one of his elves', Robert White, Jims' son. The raffle was well supported and dinner by our chef Damon and his wife Sarah. Thank you all for your support.

YES...WE WERE IN THE PINK...special Christmas lights!

Next on our Christmas list are the CAROLS BY CANDLELIGHT. Nigel and Cicely have been working hard to put a great programme together...come along and enjoy some mulled wine and fruit mince pies.

And of course don't forget to come along and enjoy the COMMODORES PUNCH, more mince pies and start off in a very merry mood to join your families on Christmas Day.

Then there is NEW Years.....£10 per person. Music from 9pm...you can of course come along earlier, 10pm supper, not sure yet if it will be plated or buffet...depends on the government, and music through to see the New Year in! should be very merry indeed.

Benj Irving was our lucky winner this month with the ONE TON CLUB. We are still recruiting new members and I am sorry but I think I said last Sunday that the prize would be £200 but of course it will be £150 to mark our 150 year birthday. Join in the fun ...you could be our next winner!

On a serious note Bernard is organising First Aid Courses in the New Year. Check your certificate to see if yours needs to be updated. I know mine needs to be done so I personally will be signing up. SEE ATTACHMENT...

And an even more serious note...your new committee is becoming more and more committed to making your club the best. I have a great team! Talk to them if you have anything you would like improved or better still if you would like to help us.

Look so forward to seeing you in the club...
