

UPDATE BRIEF... 18 DECEMBER 2021

Dear Members...

What a night we had....unfortunately Nigel and Cicely cancelled but we still had the carols with Jim as our choir master. It was great! We had 'Pass the Parcel' with lots of fun gifts and in between the singing, shouting, flat voices, and some great voices we actually didn't sound too bad. I had offered a prize for the best singer but it was too hard to choose so I shouted everyone a glass of bubbly and that just enhanced the mood. Thank you everyone for your support...

In light of the current state of omicron, we must all take a little extra care...the girls are still sterilizing all tables and chairs as vacated, the club is intensively cleaned by Amy three times a week, Dolly is extremely careful with her hygiene in the kitchen, as I am when I am cooking snacks and birthday cakes...talking off birthday cakes, Bernard you missed out on a good one last night but we found someone in the party who had just had a birthday so she had the privilege of cutting the cake!

We encourage you to ensure you have had your booster jab in fact all of your jabs, and lateral flow test as often as possible. Our staff do weekly but it is getting increasingly more difficult to get test supplies.
